What Residents are Saying

CDM.

"Moved to the building with my wife in January and we are super happy with our decision! It was our first rental in the US so we had lots of questions which the front of house team responded to efficiently. Maintenance made sure the apartment was spotless before we moved in. The facilities are great, never too busy and always clean. Neighbours really friendly and we have already made friends here. Our favourite part which absolutely needs to be mentioned- the events!! They happen on a monthly basis and today we had a brunch party

with breakfast and mimosas- a great way to get the community together and socialise. We would definitely recommend living here and say thank you to Miguel, Liz, Vincent, Carlos & Nacho for making everything happen and come together :)"
